“ *This photo is a perfect depiction of her personality. She and Aunt Helen had the most pleasant disposition and best sense of humor. I am sure the family reunion happening in heaven will be an amazing one for them all.*

*My condolences to all of you left behind. The hole in your hearts will be major... but the memories of loving moments and life lessons she enlightened you with, and all the love she had for all of you, will fill that hole and leave you feeling blessed always for having her as your mother.*

“ Dear Hotary Cousins and family, Heaven just received one special lady and I know how much you will miss her. I also envision how many were there to greet her as she arrived. She was with us when my father died, she spent time with my mom before she passed, she was there for my daughter's wedding, she came back and spent time with my first grandchild, we met each other by phone every month at the full moon. Although she was a distance away we somehow managed to stay close. In her later years she managed to maintain dignity and grace through it all. Her smile came through even when I last saw her last. My thoughts and prayers are with you as you travel through these next days. Due to current circumstances, I am unable to join you for the celebration of her life but I will be there with you in spirit. I will think of her while watching the super blue full moon on Wednesday night. She has a much better view now from the other side.

“ I am so proud to have known this lovely women. In 46 years she has introduced me as her daughter and that is how she treated me, never a daughter-in-law. She was a wonderful wife, a loving mother, a super grandma, a beloved friend and will be missed dearly. My love and respect, Sharlene "Charle" Hotary
