“ *Natasha loved Susan's spirit. The Medina family touched Natasha's heart. I know the love of a mother; I was 12 when my precious mom left me. I will be there for Meghan and the family...to support them during those moments of missing Susan.*

*I've never personally met Susan, but feel in my heart that I know her through the loving stories that Natasha shared me over the years. My dear friends and church group have been praying for a miracle for Susan and the family. Today I pray for strength, peace for the Medina family as they live through the process of life without Susan*

*God Bless you Susan and the Medina family##imported-begin##Alberta Dering##imported-end##*
