“ *Jim Rudolph - friend posted a condolence Harry, this was hard news to hear. Knowing and working with you for almost 20 years, I feel I know a bit about her. What a comfort to know that she was "all in" with her relationship with our Lord Jesus. The Bible says that "our works do follow us." So I believe the Thanksgiving meal and the Food ministry she loved will be planted in someone else heart. Blessings to you brother Harry. You were and are a great husband.*
