Suzanna was a dedicated Computer Science Teacher who inspired many students during her career. Suzanna made time not only to help students in her classroom, but throughout their middle & high-school years and even beginning college. She touched many students lives as evidenced by the following: "Your light brightened the lives of so many kids, mine included" - Yasmin; "She always seemed to see the silver lining and turn those lemons into lemonade" - Laurie; "You have always been a great influence, pushing me to challenge myself and allowing me to step outside of my comfort zone" - Stephanie; "I smile when I think of her. She is funny, clever, with an upbeat spirit" - Diane. There are so many emails, texts, and calls from people that Suzanna touched in some way. She is truly missed.

During her free time she spent her days with her dog, Polar, whether it be

walking him, training him, or at agility competitions. She also loved the beach and the Kennedy Space Center. She enjoyed traveling and was able to accomplish a life-long wish of visiting the Vatican in Rome.

We are asking that people please contribute to the Winter Park High School Foundation where a Suzanna Thesing Scholarship has been set up to help a student continue their dream in lieu of flowers or gifts.

There will be a Memorial Mass at Mary Magdalen Catholic Church on Tuesday, September 17th at 4:00 p.m. Address: 861 Maitland Ave., Altamonte Springs, Fl. 32701

“ *Thesing was a toxic and lunatic teacher in AP Computer Science. She can go from fake nice to literal screaming and ranting in seconds. She also can't teach. Horrible teacher and person.* ”
