Footprints in the Sand

One night I dreamed a dream.

As I was walking along the beach with my Lord.

Across the dark sky flashed scenes from my life.

For each scene, I noticed two sets of footprints in the sand,

One belonging to me and one to my Lord.

After the last scene of my life flashed before me,

I looked back at the footprints in the sand.

I noticed that at many times along the path of my life,

especially at the very lowest and saddest times,

there was only one set of footprints.

This really troubled me, so I asked the Lord about it.

"Lord, you said once I decided to follow you,

You'd walk with me all the way.

But I noticed that during the saddest and most troublesome times of my life,

there was only one set of footprints.

I don't understand why, when I needed You the most, You would leave me."

He whispered, "My precious child, I love you and will never leave you

Never, ever, during your trials and testings.

When you saw only one set of footprints,

It was then that I carried you."

We love you mom this isn't goodbye, It's we will see you later.

“ *My sincerest condolences to the family of Suzanne Wilder. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalm 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."*

May your reflection on this promise and your many fond memories of Suzanne give you the strength you need to endure this difficult time.

“ Dear Larry and your Family,
I, too, was saddened when I learned of Sue's passing. Even knowing that she is now at rest, and without suffering, does not ease the loss of her quickly. The day we celebrated your Mother's birthday in Vermont came to mind right away, and I will always treasure its memory. We finally were seeing one another as adults -- and Sue was very much a part of our day.

Know that my thoughts and prayers will continue and embrace all of you. If ever in Vermont, do drop by at Dick's and he can let me know that you are there. Please give your Mom a big hug -- she has a special place in the memories of my days on North Ave., as each of you do also. Sue is present to you all and will help you face the days ahead.

Much love to all,
Marie

“ Larry,
We are so sorry to hear about the loss of Sue. Our families have done so many things together over the past 30 years of knowing each other. Shawn and Keith have been with my kids most of their life, and all are very upset over this too.
We have such great memories of Sue from all the crazy things we did at Classies, with the Pioneers and on our road trip through Calif., Nevada, Utah and Arizona, and with S.W.O.P. Great times. Sue will be missed so much Larry.
I love you and Keith and Shawn, and my heart aches for all of you.
