“ I remember my Grandma the Mother of also Debera Friedrich Franklin always having loving caring open arms to everyone. She opened her heart, arms and home to people of all backgrounds and cultures. I remember watching her teach all the little kids how to count. I remember her always letting me dress up in her silky gowns and fluffy house slippers. She was the 4th pillar in our family. She loved to cook always a pot of some type of greens on the stove. No matter what, we always had a spread to eat from. There are so many wonderful memories of this beautiful strong, independent, loving woman. She is truly missed.
