

Sylvan Seepersad

July 12, 1952 - October 31, 2019

Integrity, duty, reliability, dignity and decency were all qualities that our father Sylvan Seepersad held. Not only did he hold these qualities but he practiced them daily. He was a disciplined and serious man, but never passed up the opportunity to laugh with his friends and loved ones. Sylvan was a devoted husband, a doting father and an admirable grandfather. He went above and beyond for his family.

Dad was a straightforward man who demanded little from those around him but wanted the world for his children and grandchildren. Dad worked tirelessly to provide for his family. Anything we needed Dad was able to provide for us. He allowed us to enjoy the fruits of his labor but he was not able to enjoy it himself.

The relationship our parents had with one another truly showed us the meaning of what love and an unbreakable bond looks like. Mom stayed by Dads side day in and day out caring for and loving Dad to his dying day. Her unconditional love and support was proof to how good of a husband Dad was.

We love our Dad so much, with all of our hearts. It will be extremely difficult not having him around. We do not know how we will be able to cope. By losing him we also lost a part of ourselves. He will be missed dearly by his three grandchildren Kevin, Ashley and Jay. He will be missed every day of

every hour. Dad was an imposing figure, a tall and handsome soul.

As we gather with him let us commemorate his life. Let us bid him farewell as we mourn the loss of a truly inspiring man. A soul that has brought happiness, security and safety to his family. Sylvan Seepersads legacy will continue to live on forever through his children, grandchildren, great grands and so on. God bless your soul Dad. We love you today, tomorrow, and forever.

“ *His Journey's Just Begun.*

*Don't think of him
As gone away....
His journey's just begun.
Life holds so many facets...
This earth is only one...
Just think of him as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.
Think how he must be wishing
That we could know today
How nothing but our sadness
Can really pass away.
And think of him as living
In the hearts of those he touched...
For nothing loved is ever lost...
And he was loved so much.*
