“ There are so many memories over the years to share about Judy. She was such a wonderful person and the best babysitter ever. She always made sure you had her homemade fried rice or a bag of gyozos and tempura. One of my many fondest memories was when Bill went to Japan and brought her home some Japanese newspapers and she had such a huge smile on her face. It was so nice to be able to do something for her for a change and she was so grateful. She will be missed. I cherish every moment I was able to spend with this beautiful, special lady.
