Tribute Wall

“ I admired Mr. Teddy so much — his strength, his determination, and especially the love and devotion he had for his wife and family. I am truly grateful for having had the opportunity to know him and to be part, even if only for a little while, of his life journey during the time he was here with us.

He will absolutely be deeply missed. I pray that God gives strength, comfort, and peace to the whole family during this difficult time.

And I truly believe that one day we will meet again in eternity, and we'll be able to catch up on our conversations just like we always did.

With love and deepest sympathy.

I am so sorry for your loss. Your dad and grandfather was such a kind and caring man, and I will always remember his warmth and generosity. I have many good memories of his kindness and the way he made people feel welcome and valued while in Fairfax VA.

Please know that you are all in my thoughts during this difficult time. May the love and memories you shared with him bring you comfort and peace in the days ahead.
