August 9, 1960 - February 26, 2022

### In Loving Memory of Teresa Jean Grashoff

Teresa Jean (Nyberg) Grashoff, the caregiver with the heart of a lion, passed away on February 26, 2022 after losing her fight against cancer. Teresa, or Terry as she was known by her high school friends, was born on August 9, 1960 in Oklahoma City, Oklahoma, the daughter of Jeanne M. (Smith) and Milton J. Nyberg.

Teresa is preceded in death by her parents. She is survived by her loving husband of thirty years, Stewart A. Grashoff; her sisters Ann (Nyberg) Mugglebee, from Los Angeles Calif. , Karen (Nyberg) Rodarte, from Truckee Calif., and her brother Clark Nyberg, from Lexington Ky.

Although her time with us was way too short, she touched and cared for many with that wonderful smile. There were times in her thirty-five year nursing career that she took the time to be bedside with those that had no loved ones to comfort them in the last hours of their life. As she would say “No one should be alone when going to be with the Lord”. This will be her Legacy.

Teresa would not have wanted her family and friends to mourn her passing but to celebrate the wonderful times and memories created over the past sixty-one years. The following is a passage that sums her thoughts best:

## I'm Free

Don't grieve for me, for now I'm free  
I'm following the path God laid for me,  
I took his hand when I heard him call  
I turned my back and left it all.

I could not stay another day  
To laugh, to love, to work or play  
Tasks left undone must stay that way.  
I found that place at the close of the day.

If my parting has left a void  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss.  
Ah, yes, these things I too will miss.

Be not burdened with times of sorrow.  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much:  
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief:  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me.  
God wanted me now. He set me Free.  
May you rest in peace my dearest wife. I love you more today than yesterday.

Services are pending at this time.

The family of Teresa Jean Grashoff invites you to leave a message of condolence on the Tribute Wall created in her memory.

“ *How I enjoyed hearing the tales of your cross-country camping trip with Lissa, Kathy, and the cat! Your mother and I were prayer warriors for your safety. Your dedication to your mother was unyielding and selfless. Stewart is a blessed man to have had such an extraordinary partner to share his life. I know your star shines upon us. Rest now in the peaceful arms of Our Father.* ”

“ Teresa was such a dear person! We went to school together from middle school through high school. I only got to see her at high school reunions but always delighted in our visits. She was warm and wonderful and such a dear sweet person! Her smile and laugh were infectious - she could light up a room!  
Was so sad to hear of her passing which was on the same day as my mother's - 2 dear sweet souls now rejoicing!

“ Cousin, it has been a while since we've seen you,my time texting you was special. Through your early years i helped your mom care for you and your sibilings during the summers, watching you all develop and grow. I have a sizeable photo collection showing some of those times. Let you smile live on in our memories, your caring and love fill our hearts. Miss you! Love you!

“ It was good knowing and working with Teresa. She was always willing to help in time of need. We bonded as she shared stories about Karen’s twins and Luke when they were younger. And I shared stories about my two granddaughters when they were young also. We would laugh at times at their cute performances and stories. She also enjoyed my vegetarian dishes. She will be greatly missed.

“ Teresa always said she never met a stranger. She loved connecting with people, all people. She wanted to know their story, and they felt valued. She sought adventure and it's challenges, she conquered journeys beyond her comfort zone. We were all drawn to her energy, her humor, her talent. We are blessed having her touch upon our lives.

*I, too, worked with Teresa when she worked on RIO at Florida South...She was always willing to help me as a float nurse and she always had a smile and a quick wit about her...I loved working with her...My husband and I also benefited from her wonderful business called, "Tea for Three" when we were expecting our first child. May God be with Stewart and Teresa's entire family during this most sorrowful time.*
