“ *Teresa Hague. Warm, generous, kind, loving... So many wonderful words can be used to describe the beauty of her heart and spirit. Above all, Teresa had the amazing ability to turn every day into the best day of her life! Every single moment, of every single day, she gave all of her love and all of herself, to her wonderful husband, Mark, her two beautiful daughters, Danielle and Hayley, and all of her friends and family. In grieving, as well as in celebrating the life of this beautiful woman, we remember all the wonderful memories made, and all the lives and hearts Teresa has touched. Anytime there is a dark cloud in the sky, think of Teresa and know that the sun will shine again. This is the means by which she lived her life and the positive energy that came alive every time we were in her presence. She will live forever in our hearts, the white light shining through, giving us strength and bringing us peace. May God keep you in his loving arms Mumma. xxxx

Mum this is so similar to a message I typed and deleted a few times. I didn't really know Terrsas as well as I would have liked to. But reading this comment and the others on here has really strengthened my feelings that the lady I had been in contact with over the past few years was every bit as beautiful, thoughtful, kind and loving as I had believed her to be. This sad news still hasn't sunk in.

Teresa has been taken far too soon and God has gained another angel. I'm so grateful to have had Teresa in my life even for the short period that it was x

“ How can I describe what I feel about Teresa -- “the nicest person I ever met.” She was sweet without being showy, forgiving without making it a big deal and was positive in a way that's hard to duplicate. She didn't use skepticism as a means to avoid disappointment or guard herself. That was brave. ----- I feel like she is still here. Her stories and phrases pop into my mind constantly. I passed the canned beans at Publix and I chuckled about her delight for beans on toast. When I watch RealHOusNY, she'll be with me in my messy apartment that she encouraged me to clean a "corner at a time." ----- My heart goes out to the Hague family and her friends from home. She was the best of Britain and America. I love u,

Tony and I are heartbroken at losing you - I can't begin to express how we feel. We shared such a special bond and always will. We feel blessed to have shared the holiday of a lifetime with you and the family - we are so thankful for those memories that can never be taken away.
What about those wonderful weekends at Selsey when the children were growing up - what good times we had year after year. We already have a special memory box full of all the lovely gifts and cards you sent to us since moving to Florida - you'll never know how much it meant to get all those cards addressed to "your sister". One thing is for sure - you really knew how to live life to the fullest - bringing fun and happiness wherever you went. We all love you and will continue to love and miss you forever.*

“ Marco our thoughts and prayers are with you and your family at this very difficult time. I never met Teresa but she sounded like a very caring person and a great wife and mother. So sorry for your loss. Stay strong mate.

“ *My thoughts and prayers are with you Marc, Danielle and Hayley. Theresa was a very special co-worker. Always in a good mood, always trying to lift me up. Her pet statement was "never mind, everything will be ok." A little bit of humor is that she was my Bachelor buddy. We both enjoyed watching the show so much and then chatting about it the next day.*

Diane Wood - February 24, 2014 at 05:45 AM

Haaaaa, ohhh Diane, that made me laugh. Last week Teresa said;

"Diane might not be able to make it back from work to her house to watch Bachelor. So, I told her to come in to us on the way home and watch it with me and the Girls"....

“ They say that you can't chose your family, how wrong they are. We are blessed to have found Teresa, Mark, Danielle and Hayley in our lives. Teresa was a very special person, not only beautiful inside and out, but so giving and lived life to the full. She never judged you and saw the best in everyone she met. She lit up the room when she walked in. Teresa made everyone feel important and loved- which is a truly unique gift.

Teresa was the big sister I never had, the older daughter my mum could have only dreamed of.

She was taken from this earth for reasons we will never understand or accept.

Our hearts have a whole in it now that will never be filled. Our hearts are with Mark and the girls now. We are so glad we had such a perfect holiday with you in October which has given us even more amazing, special memories.

I know from experience that you will deal with every day the best you can, and everyday you will grow stronger together.

We love you all, we can't wait for our next lot of hugs.

All of our love

Sara, Tony, Tillie, Aimee and Mia

Hey Sis, we will get through this, we will grow, we will laugh, and we will never forget. We were the lucky ones, and we will always be a strong family.

Teresa did not stop talking about Nanny Tess, Sista Sara, Tony, Tillie, Aimee, and Mia. She had such a great time with you all, and was looking forward to more beach and pool days.

I'll take over the organizer roll now, and will make sure I get you all back out here to do it all over again. Love always, Big Bruv. xxxxxxx

“ I am so sorry for the family's loss. I'm very glad I got a chance to meet Teresa. Great memories of a cruise we went on together years ago. My prayers are with the family.

Thank you Ellen, we were laughing at the group photo on the cruise, and wondered at what point after the photo was taken that Teresa would be dancing on a table..... Love from Marco. x
