“ I had the privilege of meeting Terry through his son Tom.I was also gifted with knowing Terry's wife Pat.I will always remember the beautiful story that Terry told when he spoke when Pat had passed away...They were married and he was in the service...and he had found out that his beautiful Patricia was pregnant with their first child..And i watched him telling the story..and he was there once again...His face beaming as he recited that moment in time when he arrived and saw her walking toward him pregnant with his child ..and just how beautiful....she looked..and the way that he told it ...you were there..A beautiful memory captured in time..Thank you Terry..Always with a smile,Annette

What a great recounting of this story Annette! I know Mr. Lynch loved all his kids and his wife also so much, as your story shows us.
