“ So sorry to hear of Terry's passing. I enjoyed his friendship in business over many years. My deepest condolences to you Sandi. He was a good man and friend I don't think anyone would have anything bad to say about him. He was an excellent craftsman in many ways other than vacuum forming. You leave nothing but good memories with me. I'm sorry I won't be in town for the service but he will be in my thoughts and prayers. God bless you my friend and rest in peace.
