“ Terry and I were neighborhood friends for 7 years. We bonded over our dogs. When I had surgery he came every day to take my 2 golden retrievers for walks. He was so proud of his children, and loved his dog Regan, and later welcomed Brutus and Sweetie. His photography reflected the beauty he saw around him. My prayers go out to his family, human and furry.

“ Terry and I met in 1969 at Rollins in a Shakespeare class; we remained close friends from then on. He was smart, kind, remarkably creative, principled, a wonderful father and grandfather who loved his family, witty, wise, and one of the best people I have ever known. He will be missed.

“ It's so hard to say goodbye. I can STILL see you with your camera all over the baseball field here at Bishop Moore and McNeese University in Lake Charles Louisiana. You were a Wonderful grandpa to Cameron. WE DID bring in the New Year with fun and laughter. Will miss you at our family gathering. Rest in peace Terry.

“ I will always remember Terry at the Cameron's baseball games taking pictures of Cameron. Also when we went all went to St Charles, Louisiana to see Cameron play in the playoffs. What a great time we had at Yvette's and Jon's house this New Years Eve 2018 seeing Terry and Jimmie and all of us dancing and celebrating each other's company. We love and will miss you Terry, May your rest in peace. 💖
