“ *An incredible gentleman, an honour to meet, would always make me laugh when ever I called to see him during my time in Orlando, and we'd have the occasional trans Atlantic phone call.*

Unreplaceable.

“ *"Tuffy-T flit-top Votoe" A nick-name he seemed to endure. He always remembered my Army flying days as though he was proud. When my oldest daughter was 3 (now 54) we visited Ted at his home and my daughter proceeded to entertain us by summer salting all over the front yard. Ted was quit amused and always remember this over the years.*

My sincere sympathies to Russ and the family and friends. RIP my old friend.

“ My husband, Jim, passed away three months ago. Jim also worked for EAL. Ted was always one of his favorite people. Jim always had an interesting story to share about their airline days. Would like to think they are commiserating in heaven. My heart goes out to all of you. I know the sadness that Ted's passing has caused. You are in my prayers.

“ We had the most amazing and fun Thanksgiving in 2019. Ted joined our family along with Russ, Charo, Christoher and Ryan for an afternoon of food, family and laughter. As Ted spoiled Bella with ice cream.
