Thomas lived in Altamonte Springs most of his life, he attended Lake Brantley High School and was a member of the first graduating class. Tom worked alongside his father and big brother at Argentine Auto Sales until he went to work with his twin brother for over 20 years building swimming pools. Tom currently worked at Georgia Arms Apartments with his wife where he truly enjoyed helping and taking care of the property and its wonderful residents. Tom loved to go to the casino's and play the slot machines which he did weekly during his stay in Mississippi, since moving back to Florida he only got to play the slots online which he looked forward to doing every day.

His multitude of friends is so vast it's not possible to list them all as they have been friends for his whole life.

The highlight of his life was the time he got to spend with his grandson

D'Andre watching him play baseball, swim in the kiddie pool in the back yard, and it just amazed him every day because he was so blessed to have this little man in his life. Everyone will always remember his unique laugh and how much they love their uncle Mot.

“ Tom was one of the the funniest, sincere heartwarming people ive ever had the pleasure to meet or work woth. I was fortunate to have had both of those privileges. He will be missed and remembered by me, he is not a gentleman that can be forgotten. That much is certain.

“ I am saddened to hear of cousin Tom's sudden passing. I will always have the memories from years gone by when Tom, Tim, Bobby and I certainly must have tried grandpa Argentines patience. Please know that my thoughts and prayers are with the family.
