“ I was married to tom for 35 years before the lord took him home. Tom called me the Sunshine of his life and said I was his saving Grace . We had a wonderful life together and a lot of happy memories which come in handy now. I want to thank Glenn for being with me the last hour of tom life,as for sandy saying he told her told her he love her with all his heart and soul. he also told me and after we were married he never said that to her again. he as said love you. sandy loved her father that she and her family never came to the service. I guess it was hard for her to be in the second seat and not be in charge. she has a lot of growing up to do In closing I like to say ILOVE YOU WITH ALL MY HEART BODY AND SOUL. YOU were a great man may God bless you

“ There too many memories of my father to even begin to list.
Most of all I will miss his hugs
His silly pranks he would play on me when I was little girl
The candy he would pass to me in church
How he would always take care me even as an adult if I was sick
Always remember him always working to make sure we had what
we needed
I could go on and on about what I will miss. But most of all I will
miss him as he would say "With all my heart body and soul"
Couldn't be more proud to call you my Dad
Love you now and forever
