“ Sorry to hear of Tom's passing. He was a tough minded but fair businessman during the 20 years I worked for him in the DC office. We kept in touch even after I had left his company. Thought something was up when we didn't get a Christmas card from him this past year. Rest in Peace boss.- Michael G. Magri

“ My favorite memory of Uncle Tom is when he drove us big group of us to the 4th of July parade. We were packed in the back seat of his Cadillac. On the way there, he let us do a Chinese Fire Drill at a stop light near the parade route. I was thrilled!! I had never heard of such a thing ~ but it made quite an impression on me as an 8 year old!! He always made the most of life and I will always remember his laugh....his joy. Rest in peace Uncle Tom.

(A Psalm of David.) The LORD is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for ever.

“ Jane and I will miss him. We always enjoyed Tom and Priscilla's company when we were together. From the first time we met him it was as if we were long lost friends. All of his children are special to us. They had a good role model. May God greet him with open arms.

Remembering today 10 years of "life lessons" from my favorite Irishman. Those 30 years were somewhat rocky for my family and Tom was a great help to me in getting through them. Along the way I realized how important family and friends are through good times and bad. Tom, you always were reaching for the stars, you've made it! Blessings and peace always to the entire Feeney Family. - Tootie Covalcine

Sorry for the loss , he will be missed by the many he touched. Myself I feel a mentor has gone. In 1999 I joined the Washington Cabinetpak office. In the beginning it was a sometimes slow and bumpy road. I always felt tom's support and encouragement and towards the end of 1999 headway was being made. I spent 10 years working for this most colorful irishman from the Buckeye State. I was truly proud the three times I was recognized as the "Salesman of the Year" , the awards Tom presented me still hang in my home. In the those ten years my wife and i were able to raise to fine sons , who went from young boys to serve in the Marine Corps (2 tours in afganistan) and the US Navy Submarine service (5 years on the attack sub USS 705 City of Corpus Christi.....both my sons are back home and working on advance degrees thanks to there military service. Toms influence on and me as my boss and mentor allowed me to have the time in my career to be with my sons as they were developing. While working for Cabinetpak I was able to coach little league baseball for ten years, help with coaching HS football , and be there for my kids during Wrestling. That was a pretty tough accomplishment for someone selling home improvements.....with company support it worked. I truly am grateful for the 10 years of employment I had. I know it changed my life , and my families for the better. Thanks for everything Tomgod bless and rest in peace Danny Marcus & family
