“ My first memories of Uncle Tom was him pulling Mike and I around in the rickshaw. We used to have so much fun. I remember when Uncle Tom got me a job at his grocery store in Michigan. I wore a Planter's Peanut costume and handed out samples of peanuts. I still laugh about that. I will never forget when he watched Mike and I when Mom and Dad went to Hawaii. We had so much fun. Uncle Tom was one of the nicest person I know. He always treated everyone like family and had the biggest heart. I love you Uncle Tom and will miss you!!!

“ Tom has always been more like a big brother to me than an uncle. He was so much fun growing up with - always sharing music, movies, bbqs, and muscle cars. He has always been there for me and he will be missed! Love, thoughts, prayers and hugs.

“ My first memories of Uncle Tom was riding around in his bright yellow 1970 Oldsmobile Rallye 350 cranking up the loud music on his 8 track. Uncle Tom always loved his music. He was the coolest Uncle. When I was 13 years olds, I asked him if I could try one of his cigarettes that he was smoking. He along with my Mom let me try it and did me one of the biggest favors of my life. I coughed, choked and hacked and have never smoked the rest of my life. When Uncle Tom and Aunt Nina lived near Clearwater, I helped Uncle Tom stock the supermarket aisles with Nabisco products one time. In the middle of the aisle, he declared loudly that this one package of cookies was damaged and both of us proceeded to eat the entire box. I had never laughed so hard in my life after we did that. He was always the greatest Uncle, who was always friendly and giving. To this day, I still put Becky's home made Christmas cookies in those Nabisco tins. Every time we visit Florida, Uncle Tom and Aunt Nina always make us feel invited to stay at their house and always cook us dinner.
Uncle Tom, we all love you and will miss you very much.

“ Tom was a wonderful brother, he had a nice smile, he would come to our house every Sunday with Nina when they were dating, go to the beach with us, and come back to the house for dinner. Every Sunday he would spill red wine on my white table cloth and laugh about it. When the kids were little they came to our house in Palm Harbor to swim and have a bar-b-que. We enjoyed each others company. I will miss him very much! Much love your sister Fran

“ Tom Flositz was a wonderful uncle, took me to my first R rated movie when I was 8, got me drunk on cheap red wine during a camping trip when I was 15, he made Nina and I do all the rowing, we just went round in circles. Walked me down the aisle when I got married (my dad had passed away 2 years earlier. Let me stay at his house in Florida anytime I wanted. Took care of me when I had double foot surgery. Words can not express how much he will be missed.... Love and Miss you.... Diane Langley
