“ Although I hadn't seen Tom & family in a few years he was always fun to hang around. We enjoyed playing castle risk even though he couldn't roll the dice to well! He knew everything about football esp. GB packers! My condolences to his family, hopefully he's in a better place.

Loved you Tom,
K.C.

“ Tom was FAITH full. His belief in God was inspirational especially during times of adversity . He was a proud husband and father whose priority was taking care of his family. He was faithful to his Green Bay Packers.

“ Tom had a huge heart, a loud voice, strong work ethic, great faith and integrity that is rare today. I will miss him and our talks. He loved his children, wife and all of his friends and I enjoyed talking about politics with him. He worked tirelessly to ensure that his family was taken care of and kids did well. He was a Knight at our church, and was often seen attending and supervising his kids' youth groups at church. I cannot say enough about this man and the loss so many feel. This is a genuine human being with character most aspire to have. I know he is celebrating to day with Jesus. Keep the door open for us, Tom.

“ *Tom is one of the finest men I ever had the privilege to know. I knew he was a man a great integrity and honesty the first time we met. I hired him to run my computer repair business in Florida and trusted him as he diligently strived to make it successful. I admired him as man of true character. I recognized the love he had for his family and his dedication to them. I counted Tom as a real friend and enjoyed his company when we were together. We had much in common and reminisced often about growing up in Wisconsin; following the Packers over the years and chatted and texted each other during the Packer football season. We talked after every game was completed, win or lose. His sports knowledge was second to none. I look forward to this football season and also look forward to chatting with him after each game as I know he will have plenty to say, he always does, I will just have to listen a little closer.*

Tom was my only lifelong friend. I met him when I was 4, he lived just down the road, a short bike ride to each others house. Softball, baseball, bowling, D & D, poker, we did it all together. Best man at my wedding and then he met his own love ! Proud papa, loving husband, dear friend. I'm gonna miss my Christmas call this year Tom ! Keep an eye on us down here, we will make you proud !
