“ John and Mary, It is with such sorrow that we share with you. Tom was a very good friend and co-worker that always gave much laughter to all around him. He always talked about both of you and I am proud to have known him. He was one of a kind that will always be remembered.

“ John and Mary, it is with the deepest of sorrows that Grace & I share with you. Your Dad was one of the kindest and best friends we've ever had. We thank God that he's no longer suffering. He had a long, wonderful life and he was very proud of you.

“ So many to share but I will always cherish the many times I played pool and sipped cocktails in his den with him and John. Oh, I also remember his shrimp business he started. That was good eating for awhile. haha

“ Deeds volunteered to chaperone 4 of us highschool boys in Nags Head for Beach Week 1980. One of the most awesome trips ever and of course we were told not to ask to rent the cottage again - too cool dad!

Sorry for your loss John. He still enjoyed going over to the beach. He usually let me know when he was going over to NSB or Daytona or wherever. "I'll see you when I get back" he'd tell me. I'll miss his visits to my house. Farewell Mr. Tom.
