“ David,
It made my day to get to see you this past Friday, May 4th, 2018, while I was running. I have often thought of you and Threase. I was so so taken back when you said Threase had passed. I know she fought a long and hard battle. There are some people you always feel are your friend even when you go a long time and not see them. I just felt a real re-connect when I saw you this morning. I always enjoyed visiting with Threase at Jimmies Place back in the day and hearing her speak of her father and brother. She is now reunited with them. We might not understand but God's got a plan. We just need to always put our trust in his hands. You take care of yourself and I will say a prayer for Threase when I go to mass. I always thought she was beautiful on the outside and as well in her heart. God speed.....Bruce Blankenship

Threase was one of my dearest high school and college friends. We were in each others weddings and shared lots of ups and downs in life. We had reconnected in recent years and I will always treasure that. My heart hurts but I know she is free from pain and reunited with her dad, mom and Mecot. Her courage and positive attitude were an inspiration to everyone who knew her. Rest in Peace my dear friend. I will see you again....

“ I am so sorry to hear of such a beautiful person leaving this earth so soon. I knew both Thresase and Mecot in high school and at St. Patricks. I knew her to be kind, generous, and full of life and love. She surely has a place in heaven.
