

## Tiffany Rose Dall Sanabria

April 16, 1982 - April 20, 2022

With a heavy heart we're saddened to announce the passing of Tiffany R. Dall Sanabria on April 20, 2022. Tiffany was surrounded by her family. She went peacefully and is no longer suffering due to her battle with ovarian cancer.

Tiffany was the toughest woman we all knew and will forever be loved. Tiffany worked as a mental health therapist and was so committed to it. When you asked her manager who could do ANYTHING in her field, Tiffany would be the answer. Tiffany also worked with the Orange County Sheriffs CISM team where she counseled officers who discharged their firearms in the field. Her first day on board was the day after the Pulse Night Club tragedy. When she received a call from the head of the Sheriff's Crisis Team, she immediately reported to help in any way she could.

Tiffany would never quit on anything. If she had it in her mind to do something, it got done. She fought against cancer from the beginning with pure determination. Giving up during a kickboxing class, a bickering situation to even to turning the friendship with Matt into an amazing marriage, wasn't in her. They went on trips, had epic dates, and a never-ending love! Tiffany and Matt's favorite adventures were when they were with their family and friends. They took trips to Disney and South Florida with Rita (Mother), Sheri (sister), Dave (brother-in-law), and one epic little niece, Keira, that were so memorable! When they traveled with friends they went to their favorite beach,

Siesta Key, or to South Florida to ride go karts dressed as Mario characters.

She is preceded in death by her father and is survived by her husband Matthew Edward Sanabria, mother Rita, mother-in-law Enola Jean Jackson, her sister Sheri Lynn (David) Harlan; and her niece Kiera Ashley Harlan.

Tiffany was one in a billion, no one would light up a room like her! Tiffany loved her family, friends, and husband more than anything and would always put their needs ahead of her own.

We know Tiffany fought cancer like the WARRIOR she was. She would never want anyone to be sad for her, but to take her example and LIVE every moment to the very BEST!

We love you Tiffany and we know you will be watching over all of us forever smiling and laughing.

The family of Tiffany Rose Dall Sanabria invites you to leave a message of condolence on the Tribute Wall created in her loving memory.
