“ Shawn, my deepest condolences for your family. I can only imagine your grief at this moment, the only true comfort would come from seeing Tiffany and Brooklyn and to embrace them once again. Thankfully, Jehovah God has promised that this is possible. God's word states in Acts 24:15 "And I have hope toward God, which hope these men also look forward to, that there is going to be a resurrection of both the righteous and the unrighteous." I hope that this promise brings you comfort and hope during this very difficult time, your family is in my prayers.
