“ My dad was the one in the room to crack a joke to make sure we’re all having fun! He is a brave and courageous man who loved his family. When I was a little girl around 10 or so my dad stayed home to take care of me. I was running a high fever and he laid next to me rubbing my head until I fell asleep. My dad was a tall intimidating man at times, but in the inside he was softy when it came to his girls. I love you dad always and forever your second baby born/kiddo 🕊️👍
