

Timothy O'Hare Morgan

November 30, 1958 - July 13, 2024

Timothy O'Hare Morgan, 65, of Orlando, FL, passed away at his home on July 13, 2024. Tim was born on November 30, 1958, in Lexington, KY, to Ramon and Patricia (Gormley) Morgan. He moved to Winter Park in 1970 at the age of 12 and was a proud Winter Park Wildcat.

Tim is survived by his daughter, Taylor Morgan, 15, a brother John Morgan and wife Ultima, a brother, Thad Morgan and wife Jill, a brother Mike Morgan, and a sister Mary Pat Moriarty and husband Paul, a cousin he considered his best friend, Jenny Doyle and many nieces, nephews and cousins in Florida and Kentucky.

Tim was the Director of the National Call Center for Morgan and Morgan for many years, which helped transform an Orlando law firm into the powerhouse national firm it is today. Tim had a passion for many things - his German Shepherds, all things Kentucky, horseracing, his friends, and most of all, his family, most of whom he talked to multiple times a day. Taylor was the light of his life, apple of his eye and pride and joy. To those who know him, they know that Tim lived life to the fullest. Despite a lifetime of pain and disability, Tim never showed it and was a hero to many. Recently he said to his brother John, "Between crying and laughing....I chose laughing".

“ I loved Tim Morgan, for his uncanny personality, his love for life, his love for Family and for being a good friend. His laughter and humor were contagious and he was a person you really looked up to and respected. Through all his trials and tribulations, you never saw him cry or complain. Laughter was his best medicine and we should all learn from him. Finally he has had his Devine healing and no longer is in pain and is with the Father in heaven. May you rest in peace and I am so grateful that our paths crossed and I will cherish all the memories I have of you. 🙏🙏🙏

“ To this day Tim is the best boss I ever had. The early days of CCC with Tim were full of fun, pranks, trips home to Kentucky where he showed all of us where y'all grew up and vacations to the Keys. He was a master at pairing meaningful work with purpose and hilarity. The measure of a man can be shown in how he shows up despite the pain and struggles he endures. Tim was the example for all of us. It's all our losses. My prayers are with John, Taylor and family during this painful and difficult time. -Amber Cabrera-Craft

“ I was saddened to hear of Tim's passing. Tim and my husband, Ed, were good friends. My greatest memory was when he and Tiffany picked us up in the limo to get married at the courthouse! Unforgettable good joy he brought to the world. You will be missed. Prayers that God holds you close.

The service was beautiful. Thank you Morgan family for sharing your hearts today. Tim was a friend and inspiration to so many and will always be remembered as a bright shining light and dear soul. I live this group picture because he is surrounded by women (!) and his dear pal Eric Seibert (RIP) can be seen peaking out on the back row. God Bless.

“ We often take for granted the impact people have on our lives until they are gone. My former Boss, Tim Morgan was a shining example of this. His carefree nature and ability to make others laugh were qualities that made him a joy to be around.

Our time at the call center and happy hours at Ember were never dull when Tim was around. His email to the department, proudly congratulating me on my graduation, is a memory that will stay with me forever.

I was so happy Tim congratulated me. That I saved the email since 2014. 🥹

To John Morgan and family, friends, and all who knew Tim, I offer my heartfelt condolences. May Tim's soul rest in peace and may we find comfort in the memories we all shared with him.

“ It saddens me to hear of Tim's passing. Our friendship grew through our business relationship and continued later in life through social media. Tim and I shared the same passion for our pets as well as our love for classic cars. I truly miss that interaction. Until we meet again in God's heavenly kingdom, my thoughts and prayers go out to the Morgan family. God bless.

“ Tim was one in a million. A good friend to everyone in high school, called me the "older woman" 😊 (I was class of '76.) 🇺🇸 Such a funny, down to earth, loving soul. Party at his parents house before concert at the T-bowl, dancing with him at ABC Casselberry, I will never forget the good times. So happy we reconnected through facebook after so many years. Love and miss you, Tim.

“ Tim Was a very good prankster. One sunny day. I was sitting on a bench at Lake Eola. I was talking to a woman about her dog and the woman had her six-year-old Daughter with her. Then I see. Tim coming, he yells out. Hey, Bobby, when did you get out. The woman says get out of where. He said he was just released from jail. I tried telling the woman. No, he's only kidding. The woman picked up her dog and grabbed her daughter and ran. Tim goes. See you later, Bobby. Tim Always.

Had a smile, he was always positive. I would call him And just talk and , sometimes I needed advice. He always had a way of putting a spin on it for me .Tim I miss you and will always think of the days With your Cadillac. You were the only person who could go toe-to-toe with me about the kennedys. You are loved by thousands. I don't know anyone who doesn't have but a kind word to say about you. I really wish I could be there Friday to be with you but I have my own battles I am dealing with as you know love you Tim friends for ever

“ Tim and I were friends in high school. We went out one time after that. Wonderful evening of dinner, drinks, dancing. Tim drove me home and it was starting to rain. He said “ I can't walk you to your door so I'll do my best” He drove over the curb, across the lawn to the front door of my apartment. I had never laughed so hard on a “date” before! Love and miss you Tim❤️❤️❤️

Where did all of the time go? When I close my eyes I can still see our young faces at Maitland Jr High. Tim was so humorous and a bright beacon in our sea of faces. His light will always shine. Cheers Tim!
