“ There are not enough words to express how much Uncle Tim was a positive influence in our family. He mentored young men, like my Father, his nephew George. He has always been a loving, caring Uncle. By fully relying on his Creator Jehovah God in his life, he provided an excellent example for all of us. Our thoughts and prayers are with the Newman family. We wish we could be there with you; we look forward to welcoming him back in perfect health and full strength. ~Vaughn/Krokenberger

“ I am married to Joe. One of Tim's sons. One of my many favorite memories of Tim is he gave our wedding talk 34 years ago. Another one is when dinner time came we always ate together laughed together prayed together shared special encouraging positive conversations. Tim always loved to talk with all of us together. I miss him already terribly.
