

Tina T. Twigg

October 14, 2011

Tina was born in Brooklyn, New York in 1915. Her father was an entertainer which brought her great joy. Her mother loved her garden and Italian cooking. Tina often told stories about her family in Brooklyn. Tina lived in Brooklyn for about 60 years where she worked at a teller. She raised two children and moved to Florida in 1979. Her best friend was her cousin, Connie Keating. Tina lost her son, Alfred Twigg in 1976. I know she is with him now. Tina leaves behind her daughter, Renee Poston, as well as her nieces, Gina, Donna and Lindsey. Tina will be remembered as a strong person with a healthy sense of humor. The family wished to thank the wonderful staff at Dolphin

“ *Jonathan - Caretaker posted a condolence Just wanted to say how much of a pleasure Tina was through every day I interacted with her. She was unflinchingly sweet and always tried to put a smile on my face. I'll miss her presence.*

“ *Phil Pike - Friend posted a condolence I will always remember Tina going down the canal for the Christmas boat parades. They were happy times, she loved the lights and songs, and the memories will be with me forever. She was a wonderful lady, full of life and always trying to stay busy. And she loved all her grandchildren..Mick and Sadie, Beau and Brandy, Sky, and her favorite Mr. Bailey. She's in a place now where she can rest and have no pain. My deepest condolence to all of Tina's family. Phil*

“ *Wendy Carey - Friend of the family posted a condolence I would like to express my sincere condolences of the recent passing of your Dear Mother. My thoughts and prayers are with you and your family. Although I did not personally know your mother, the way that you spoke of her, I realized the great kindness and compassion that she had for others; therefore, I know that she was well respected by many and changing the lives of others. Due to our similar situations, I have some idea of how difficult this time has been for you and your family. No comfort is quite enough to replace the loss. But I do thank you for sharing your experience with me and allowing me to know a more personal side. If there is anything that I can do for you please let me know because I am here for you. Very Sincerely, Wendy Carey*
