“ *Libby,
Please don't take our silence as us not caring or not concerned. We did not want to bombard you with questions to answers you probably shared a hundred times a day. We continued on to work feeling helpless and awaiting news for any updates on Tindall. We always thought he would pull through, only because we could not imagine never seeing his smile again. So please know that every day you and Tindall never stray too far from our thoughts. We love you both. Greg and Lisa Harbin*
