

## Tracy Cole

April 27, 1969 - February 1, 2022

On February 1, 2022, Tracy Cole lost the fight of his life. His doctors said to rest, but what did Tracy do? He went to work. Tracy believed in working hard and playing hard. He loved his company and his work family.

Tracy is survived by his father Larry Cole, and his loving wife Kathy Cole of 27 years. His two beautiful daughters Carrisa and Savannah, his wonderful son Andy, his most fabulous supportive daughter-in-law Erica and his grandchildren Peyton-Eileen, Raelynn, Lainey and Remington; and his brother Bryan Cole. We were blessed to be by his side till the last breath.

Tracy enjoyed fishing with his two best friends John and Nick. He enjoyed spending time with his family when he wasn't working. Tracy was ready to be with his mother, Dorothy and his sister Brandi. We know they are celebrating together with an ice-cold beer and a fishing pole.

He enjoyed music and joined by Savannah, Carrisa and Kathy was very excited to see the Lacs at The Barn in Sanford. That evening he was singing at the top of his lungs, laughing, and dancing. After the concert his face lit up like a kid at Christmas as he got to meet Clay Sharpe. They played a round of pool together, and had a few rounds of beer. This was one night none of us will forget. Well, the parts we can remember, at least!

His last words were "I love you Kat. She is the strongest person I know, and I love her so much."

The family of Tracy Cole invites you to leave a message of condolence, share a memory, or a funny story on the Tribute Wall created in his memory. We plan to keep his memories alive for his grandchildren.

“ This is Sharon Cole. Tracy was my nephew. One of my favorite memories of Tracy was from many years ago. I was visiting with Dorothy, Tracy's mother and Tracy when they lived in Longwood. Dorothy was preparing dinner for the evening. She had steaks on the table. She was busy tenderizing and seasoning it as Tracy carefully watched his mother. Dorothy stepped away to get some other items. Tracy who was either 2 or 3 at the time quickly jumped in to assist with the preparation He had a container of baby powder and covered the steaks with it just as he had observed that Dorothy had done with the seasonings. Although it probably wasn't how Dorothy intended the meal to taste, you couldn't help but smile as Tracy thought he had been helpful.

Another memory I have was when I had been visiting Larry, Tracy's father who was a patient at South Seminole Hospital. As I was leaving, I met up with Tracy who had come by to see his dad. Tracy told me that his dad didn't like the food they served at the hospital. Tracy had brought a fried egg sandwich with him. Tracy said because fried egg sandwiches make everyone happy.

Hi Sharon it was so nice seeing you yesterday. I love this memories you shared. Tracy truly turned out to be a great guy, loved his family, his job and company he worked for, he loved his grand babies. He always wished his family would be closer but ever since Brandi's passing they have not been. I will honor Tracy last request to me and our dreams of what we have planned. Keep in touch

“ On December 27, 1994 Tracy and I met for the first time and married on April 27, 1995 just a few short months later. It was defiantly love at first site for us and ever since we were inseparable. Tracy and I had a very special bond that no one would truly understand but us. We had our ups, downs and every optical imageable we went thru but never did we want to give up on our love and our lives together we just grew stronger and stronger. " It was no an accident me finding you. Someone had a hand in it long before we ever knew. Heaven smiling down on me as I look at you tonight. I tip my hat to the keeper of the stars he sure knew what he was doing when he joined these two hearts. It was no accident meeting you" We were married to this song Keeper of the Stars. I am forever grateful to have been your wife and shared the love we had, it will continue in me forever. I am forever thank you that you made me a mom to two beautiful daughters. I will continue to make our dreams come true that we had planned and make you proud of me. My heart is forever hurt, sad and feels so alone but I know you will always be standing right next to me and watching over me. All I will need to do is look up into the sky and see your smiling face looking down on me. You spoke to your best friends John & Nick and asked them to keep an eye on me and help me with anything I would ever need and they will honor your last words to them. You have the two most incredible best friends and they loved you just as much as you loved them. You also spoke to my sister Judy and asked her to help me with getting things set up for me and Pey Pey for our futures and to always be there for us and she will also honor your last request as well.

When you became a papa the first time you were over joyed and your face just lite up every time you so Pey Pey. As our family grew with the grandchildren you felt the same for each and everyone one of them, Raelynn, Lainey and Remington. We will keep your memory going as your grandchildren get older and they will never for get you. None of us will every forget you.

You are the love of my life and forever in my heart. The only thing

*even trying to make this any easier is knowing you are not suffering or in pain anymore. You are over joyed being with your sister Brandi, your mom Dorothy and my dad Bill. Please give them all hugs and kisses from me and let them know how much we miss them as well.*

*Forever in my heart but never forgotten.*

*Love your wife  
Kathy*
