“ *Troy, was our first baseman on my little league team in mt. Dora. He was such a nice kid and a pleasure to coach. He was the same age as my son and we would go and pick him up for practice when he lived in lake Jem. What a great kid. When we would arrive he was always bouncing a ball off a wall trying to improve his fielding skills. Such a quiet intent young man. I am so sorry to hear of his passing. To his family I must say he was a great young man and a privlage to know. David bryie little league coach*
