“ Carol, Mitch, and family...you were blessed with a wonderful man as a husband, father and mentor. And what a man! Troy had a way of always making something good out of everything, and I don't think I ever saw him when he wasn't smiling!

*I will cherish the fond memories of pool parties, christmas tree lots, Thanksgiving dinners and everything that came with those times.*

*You are all in our prayers. Kenny and I are sorry we aren't able to be there with you.*

*Troy will always be with you!*

*Love,*

“ Carol, I will always remember the wonderful times I had at the tree  
lots with Troy. He was an absolute pleasure of a man. He just made  
things fun. He never let you feel like you worked for him, he made  
you know you worked with him.  
From this day forward there will ALWAYS be a tree outside on our  
farm every Christmas where everyone can see and it will be  
decorated and it will be known as our "Troy" tree.  
God Bless you all and  
God Speed Troy Edwards.. There is now one more Christmas light in  
the sky.###imported-begin##Ken Yochum###imported-end##

“ When I think of Carol and Troy and the family, I always have beautiful memories and warm thoughts. Their home was a place where generosity was the norm. Everyone was made to feel a part of their family. It is rare to find such a giving neighbor. I will miss that attractive Troy and his party manners. I always saw Troy smiling-- what a pleasure! I am sure he fits right in with all the goodness in heaven. What a lot of happiness he brought to those who knew him. He will be sorely missed.
