

Trudy M. (Brooklyn) Jimenez

September 28, 1956 - September 9, 2021

Trudy M. (Brooklyn) Jimenez, age 64, of Sorrento, Florida, passed away peacefully surrounded by her family on September 9th, 2021. Trudy was born on September 28th, 1956 in Sanford, Florida, the daughter of Ted and Jean Brooklyn.

She is preceded in death by her parents and is survived by her husband Jack Leroy Jimenez; her daughter Stephanie Marie Jimenez; son Ted Andrew (Jennifer) Jimenez; siblings Sue McIntosh, Timmy (Lesia) Brooklyn, Pam (Frankie) Griffin, Teddi (David) Dovan and her eleven grand puppies.

Mom and Dad met as kids and started dating as young teenagers. They married right after mom graduated high school in 1975. They settled in Lake Mary, Florida, where she enjoyed being a home maker for her 2 children and husband for 18 years. She went back to work when we were older, which allowed her to meet many wonderful friends.

Our family was the center of her life. Any reason to spend time with family and friends; whether it was beach trips, vacations, playing cards & game nights, shopping & more shopping, pool parties, BBQ's and family dinners, picnics in the pasture and holidays especially Christmas, mom loved it all. She was a devoted sister, aunt, wife, mother and friend who loved everyone dearly.

Everyone that met mom seemed to love her. She had a playful, sparkling, sense about her that will be missed by all.

There is no doubt she was a strong fighter who gained strength from her family and faith in God. Because of moms faith, we have peace in knowing we will see her again in Heaven. What a day that will be!

Memorial Service will be held at 10:00 AM on Saturday, October 2nd, 2021, at First Presbyterian Church of Lake Mary. There will be a reception until 2pm at the home of Kaydee and Cameron in Sorrento. Address to be announced at the Memorial Service.

The family of Trudy invites you to leave a message of condolence on the Tribute Wall created in her memory.

“ Trudy, I will always remember when you and Jackie would take us for rides in your jeep on dirt roads somewhere in Lake Mary (i dont remember where) and we would have so much fun. I will also remember all the laughs we shared when you would come over and visit us with Stephanie and playing cards with my Mom. The last time we seen you was when you came over with Stephanie and we went to Texas Roadhouse. That was such a good day. We love you and we will miss you. See you on the other side !!

“ *Trudy my dear sister I already miss you so much. We have always been mom and dad's five kids now we are 4 and it just feels odd. You were always the life of the party. You made us laugh. You have been thru so much for many years with that nasty cancer and you fought the good fight for so long. I know you're going to your eternal home was a glorious day when you greeted Jesus, mom and dad and met our brother Rick for the first time. What a happy day that was. We are sad to lose such a huge piece of our family but we are happy to know that because of God's promise we will see you again. I love you forever. RIP sweet sister.*

“ *Momma,*

You were a pain in the but and I am so glad I got to spend these last few years taking care of you. I will miss you but, I will not miss you being sick. I know you have been made brand new in Heaven now. I know you were ready to met Jesus. I have peace knowing this. I am so thankful that you taught us about God and allowed us to learn and accept Jesus when we were ready. That is the greatest gift you could of given Andy and I. We will take care of each other and we will see you again one sweet day.

*Love ya,
Steph*
