“ You will forever be in my heart and in my thoughts. I miss you so much and often think about all the things we had planned to do, places we wanted to go, experiences we wanted to share. If only this were all just a bad dream and I could wake up and be able to call you, hug you, or just sit with you. I know I will see you again....Until then I will patiently wait for that great day to come and continue to think about you like I always do. With all my love, Schatzie💋💋💋
