“ I always loved seeing Ushi and Heinz walking when I was out with my dogs. She always remembered their names and addressed each one with smiles and cuddles. I am comforted by knowing she is still sending cuddles, from HER forever home in Heaven.

Heinz, I am so sorry to hear this news. By far, one of the nicest people I have ever met. I know you are devastated. Hang in there boss man. Let me know if you need anything and I will do my best to give you a helping hand. Take care. Jay
