“ I am beyond shocked to learn of Valerie's passing. Especially flipping through the Sentinel. I think I saw her last about two months ago. I was very fortunate to know her and Joe for roughly 15 years as they were loyal customers of mine at Albertson's. Throughout the years I would see Val either at Gino's or Frogger's when I would be on break from my current job, and we would talk and catch up. She was not only funny, but very wise. I will never forget some of the advice and tips she has given me throughout the years. You will not be forgotten. Prayers and condolences to Joe, your family and friend.

“ Who needed to go to Disney or a comedy club when we had goofy Val! My beloved neighbor of 15 years. God rest your soul. You will be very missed! No one had more holiday decorations or the west theme decorated in their house then you. That big heart and the love for her fur babies. A week has passed and the thought of you being gone from Beckstrom is still unreal. Stay funny - see you again one day! Rory

“ Val and I used to be best buddies. She's gone through so much stress these past years. I know it's been tough on her, Joe and the entire family. I'm sure she is in a much better place now and at rest.

Please God, take care of Joe. Tell him I love him.
