“ Valerie, I still can't believe you're gone. You were an amazing woman, so kind to let me stay with you and Jenn for a while. You always had a beautiful smile on your face.

The day I came to work and saw you and Jenn in my floor, I had prayed there was something our doctors to do to get that leukemia out of you. I'm so glad I was able to spend some time with you and see that beautiful smile a few times.

My heart absolutely broke when I found out your battle had ended. I know your family will miss you dearly, but I am so glad you are no longer in pain.

Thank you for touching my life the way that you did. May you Rest In Peace. Xoxo
