“ *Pastor and Joy Lancaster - friends posted a condolence Valerie fought to her last breath--we know she was **READY** to meet the Lord, and to be reunited with Mike--but she sure didn't want to leave her "kids"! To Jennifer, Liz, and Michael--**EVERY** time we spoke with your mom, her concern was not for herself, but for **YOU**. We can't say "we know how you feel", because we don't! But Jesus does, and he cares more than anyone else can! We hope you can feel the everlasting arms wrapped around you right now! We love you very much--please call us **ANY** time! Your mom had a **HUGE** influence on our daughter, Kristen. She gave her her very first acting role, in *7 Brides*, and she went on to have a lead role in **EVERY** play while she was at Liberty U. Your mom was, and **IS** an amazing lady!*
