“ I was his student from 1990-1997. We had many great conversations over the years, and he was a really gifted pianist and teacher.

“ Mr Cook was mine and my siblings piano teacher in the 60s and early 70s. I remember lessons at his house and in downtown Kalamazoo. Us kids all looked up to him.

“ Vane was a great pianist and a great person. He often said " it's a good day today because I woke up". He loved animals. He continued to teach piano until just a few years ago. He will be remembered fondly.
