“ Vasu was my boss at Saint Thomas for several years. She taught me so much and believed in me. She worked with the management and had a new job created for me to bring me back to Saint Thomas in a different department after I had left for a better job. I took the position and finished my career there and will always be grateful to her for her time and friendship we had.

“ My Dear Sister Vasu,

We had a happy childhood and enjoyed each other's companies while we were growing up. After she got married I always helped them with all their move to different places for the job. Their last move was from Nashville to Orlando. In 2000, we packed up their household stuff in the U Haul and I drove to Orlando to move them in their new house. They both really appreciated our help. We visited them many times in Orlando and we had so much fun together. As you know my sister loved to feed everyone. So at every visit she cooked so much for us. She used to get tired so I used to tell her I am not coming here to eat. They also visited me in New Mexico where I live. Her last visit to our house was in August 2021. She came for Rakhsa Bandhan and she stayed with us for 10 days. We had a very good visit. We ate a lot and shared so many of our memories. At that time, I did not realized this was her last visit with us.

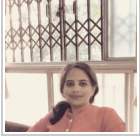

After my bother in law passed away, she was very lonely, but she made lot of friends and she helped everybody. She was very social and she enjoyed spending time with her family and friends in person or on the phone. She lived her life very independently and did not needed anybody's help.

When I got the news of her passing, I could not believe it that she is gone. This was such an unexpected sad news. I will miss our little chats. I will remember the years we had spent together. I will treasure these memories for ever.

Rest in peace my dear sister. You are in good hands with God. We pray for your soul.

“ I met Vasuben in 1954 when I was entering high school and Vasuben was in the 8th standard. We actually lived on the same street - Soni-Fadiya. Over the years, Vasuben became my elder sister who I could easily talk to. Years later, I was so happy when Vasuben got married to Dinkerbhai whom I considered my role model while I was attending Agriculture College in Anand. Over the years, we've continued to reconnected in Tuskegee, Alabama, Concord, NC and finally in Orlando. I will, forever, consider my time with Vasuben and Dinkerbhai highlights of my life with so many good memories. I, now, pray for their happy reunion in Heaven.

*We are deeply saddened with Vasu's passing on Jan.7,2022. She had been such a sweet & thoughtful neighbor & friend in Falcon Trace subdivision for almost 2 decades. We will surely miss her knocking at our door with sweet starfruits she gets from her friend's tree to share with us knowing we enjoy those fruits. Just before Christmas she came with her dear daughter Mita with a gift for us & as usual the delicious starfruits. Heavens got an angel in Vasu, a sweet, loving & thoughtful lady. “ *You were such a lively person, a very caring soul, and very independent, woman full of self respect. That is why you had so many friends Nd so many people like that you considered your Daughter. God looked at you and decided to take you to his heavenly abode when you were still doing everything for your self independently, and He kept your self respect intact till the last day 🙏 Thank Bhagwaan for that on your behalf today. You are going to be deeply missed every single day not just today, but for years to come. Love you and pray you rest in peace at your heavenly abode 🙏🙏 jai shree Krishna.*
