“ *Erica Winter Hydro - granddaughter posted a condolence There are so many wonderful memories to speak of when I think of Grandma. I can remember playing in the yard with my brother, Corey, and my cousin, Aaron, while Grandma hung clothes out on the line to dry or while she made us her special lunches of PB&J and chicken noodle soup (lunch was always better when Grandma made it). I remember hot summer days where we would have all the family over to Grandma and Pop-pop's to have a cookout. At the end of the cookout, we would have lots of watermelon and have seed fights...so much fun! Grandma never forgot a birthday or special occasion and always made those having a special occasion feel so special. I always felt that special occasions weren't as special as they could be if Grandma wasn't there to share it with her happiness, sweetness and love. Aunt Sha-Sha, I thank you so much for taking care of Grandma and for putting so much love and care into everyday for Grandma. Grandma will be missed for so many reasons that would take days to put down into words. Love you, Grandma, and may God have a special place for you in heaven.*

“ *Magallon Family - na posted a condolence May you find comfort in the memories that are yours to cherish and strength in the companionship of those who share your loss...I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted-Matthew 5:4. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*

“ *Cheryl Winter - Daughter-in-law posted a condolence Mom was always there for everyone. She took good care of her family by being a great wife and mother. She babysat Chris, Corey and Erica for us because we trusted no one else. She was known for her fantastic grilled cheese sandwiches and sweet tea. We had great Sunday dinners along with birthdays and holidays. Mom thought everyone's birthday was special so she always had cake and ice cream. I'll miss hearing her sing "Happy Birthday" to me over the phone. Sharon, you were truly a dedicated and loving daughter to her. Your unselfishness with Mom's care allowed her to stay as healthy for as long as she did. For that, I know I am not alone in thanking you for the special love and care you gave Mom. Mom loved the Lord and I know she is with Him now. Love you, Cheryl & Eric*
