“ Dear Malatesta family,
We are deeply saddened by the passing of your mother. We have so many memories of her.

For some of us she was almost a second mother and she was definitely our mother Ann's best friend and confidant until the day she passed in 1984.

We were all blessed to know her as the wonderful, kind and funny person that she was.

Sincerely,

The Burgan family

(To Fran, I know I lost track of you years ago but please be in touch. My e-mail is kgamachechef@aol.com) Katherine

“ There is a void in the world today left by the loss of this incredible woman. No one in the world can ever make a strawberry cheesecake like Veronica. I have many fond memories of her and will cherish those forever. My condolences to the entire Malatesta family and especially to my dear friend Martha.
