“ *Mr. and Mrs. Miller and Family,  
What can one say when this happens. I just found out that Veronica had passed. She was a very dear and good friend and will be greatly missed. I have many memories of the great times we had hanging at the beach all summer, working together at Burdines Being her maid of honor and so many more. One meets so many people in there life time but Veronica was that one very special person. I am shocked and saddened. My heart breaks for your family.*

*Thinking of you all*

“ Very sorry & shocked to hear of "V"'s untimely passing. She was  
smart, fast thinker, & wickedly funny. She always had people  
laughing, especially the women in the group when her barbs hit the  
men in the room! I hadn't talked with her in awhile, my last  
remembrance a wave to her as passenger in a friend's truck. We  
will miss her. Pete Egan 1/2/16
