

Vicki Joy Price

October 25, 1967 - February 5, 2022

Vicki Joy Price, age 54 went home to be with the Lord on February 5, 2022. Vicki was born in Stuttgart Germany to Steve and Joyce Tollett on October 25, 1967. She is a graduate of Rhea County High School (Tennessee) and Valencia Community College (Florida). Vicki grew up in Spring City TN, and moved to Winter Garden, FL in 1988.

She was a kind and compassionate lady with an infectious smile; a woman of strong conviction and unwavering faith; someone who spoke honestly, and you could trust.

Vicki was a gifted piano player who began playing in church at the age of 9. She enjoyed spending time outside gardening and had a deep love for animals. She loved walking on the beach searching for shells and watching the sunset over the water. One of her fondest memories was joy riding by boat through the Grand Canal of Venice, Italy. When asked what she was most proud of in life she replied, "My family... and joining a bible study to further understand my faith beyond regular church attendance."

Vicki is survived by her husband of 29 years, Chuck Price II; son, Chase and daughter, Chloe; father, Steve Tollett; brother Daryl (Tina) Tollett; niece Kaitlyn Rice, and her children Barrett and Brooklyn.

“ Vicki was a blessing to so many. Her love for the Lord, her family and friends was special. She had a servant heart along with her sweet and kind spirit. Our lives are better and fuller to have had her as a friend. There were many quality times spent together and many precious memories we have of Vicki. She finished her race here on earth well - a Proverbs 31 lady. It was an honor to be able to attend her Christ honoring memorial / celebration of life service and partake in the sweet fellowship afterwards. Chuck, Chase and Chloe you can rest assured your Wife / Mom is with our Savior and is living like she has never experienced before. As Pastor said, her desire would be and is for each of you to go on with your lives looking unto Jesus the Author and Finisher of our faith. Keep looking Up for He loves you more than you can know. Your family means so very much to our family - you are family. One day soon we will have that great and grand reunion with those who have gone on before. Keep keeping on for our Lord. If you ever need anything, we are here for you. Praying for the strength and comfort that only God can provide. You are loved.

“ *Where to start...Thank you for being such a great friend. Thank you or all the coffee dates, afternoons spent talking after Bible study, couples date to Dunedin, talking about boating, and just your love for God, family and friends. I will never look at the word “Bestie” the same again. You will surly be missed. Praying for your family daily! May God bring strength, encouragement, and comfort as you all lean into the father for support.*

“ Vicki was such a blessing to so many and touched so many lives. Her talent and sweet spirit will especially be remembered and missed by all. I wish there was some way we could help to lessen the pain and sadness you are all going through. Although it seems so terribly dark at this time, our Lord will somehow supply the light, peace, strength and guidance we so very need. Although the angels are rejoicing in heaven and Vicki is now playing the piano with the greatest choir there ever was, we here on earth have broken hearts and will miss Vicki's kind and gentle spirit. Vicki has fought such a courageous battle and is no longer shackled by the insidious disease that robbed her of her beautiful life. She is now free of pain and we will have to draw on her example of strength and courage to help us continue on. Lord, please give us the strength and peace we so desperately need. What a beautiful family and legacy that will continue to be a blessing to so many. Your love and support for each other will be a comfort in the days ahead. Chuck, Chase, Chloe, Steve, Chuck, Bonnie and all the family, if there is anything we can do to help, please let us know. We love you guys. May God bless you all.

“ I became friends with Vicki just a short while before she moved from Oakland- I loved talking with her- she was so uplifting- pure sunshine! I was crushed the day she told me about her moving and now I am so sad she left so early. She spoke openly about her faith and I admired her deeply

“ *I first came to know Vicki when my family started attending Calvary Baptist Church in Winter Garden in 1995. She played the piano so absolutely beautiful and her infectious smile could be seen everywhere! She had the most kind and sweet genuine personality and was loved by everyone she knew! Vicki loved gardening, decorating and restoring furniture, she restored a beautiful bookcase for me years ago that I use everyday! Vicki was also very funny, I LOVED hearing her tell a story and just watching her facial expressions, she truly was one of a kind! Her love for her family and deep relationship with the Lord was truly evident in her life! Vicki my dear sweet friend, you will be missed by everyone, but all of our beautiful memories will be with us forever and always ❤️ ❤️ ❤️*

“ *Vicki was one of the sweetest ladies I've ever known. She was an incredibly talented pianist but was always so humble about her musical gift. She sat close to our family in church and I could tell how much they all loved each other by the way they looked at each other even during the service. I will miss her so very much! ❤️*

“ *I taught one of the Bible studies Vicki joined. She was very dedicated in coming, asking questions and sharing what she learned. We talked about Vicki on class this morning. Some even shared memories of conversations they had. It was a sweet time for our class to share our memories of her and the impact she left on our class.*

It was a joy to have you as our church pianist at Clermont Baptist Church. You will surely be missed here on earth, but all shall meet again. Prayers for all of your family. <3*

“ Vicki was a special person. Her smile and laugh were infectious. I’m so glad she was a part of my family. A fond memory that I will always cherish is how we would always say to each other, “I’m glad you got to see me today.” Each of us would try to beat the other in saying it first. We always had so much fun when we were around each other and I loved her. The day will come when I get to see her again and this time I will say, “I’m glad I got to see you today.”

“ Vicki was the kindest, sweetest lady that we got to know from church. She always had a beautiful smile on her face even when she was battling cancer the first time. She was always positive. This beautiful friend will be missed . Your new home in heaven has to be as beautiful as you are.
You we’re greatly loved and we will see you one again one day.
