“ *My sincere condolences to the family of my dear friend for over 50 years, Victoria.*

You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back, or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember her and only that she's gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn you back, or you can do what she'd want: Smile, open your eyes, love and go on. My beautiful memories of Vicki and all that we shared through the years will live in my heart forever. Love you bigger than the sky, Cindy Tolar

“ *Vicki was a very professional court reporter, always dressed so beautifully and she was so lady like. I remember the days back in the 70s and 80s when there were a bunch of us court reporters in the Bradshaw Building on Washington Street.*

My condolences to her family. I am sure she will be missed.

*Sincerely,

To family of Vicki. I just came across an old phone number for Vicki...called it ...and then looked her up on internet to sadly read of her passing some time ago. I knew her many years ago when I had business in Orlando area 30 years ago...and kept in sporadic touch with her thru many years. I am sad that I hadn't reached out in some time to now hear of her passing. I will be sending a smile up to her in heaven.
