

Victoria (Vicki) Ann Fordham-Skerry

August 2, 1953 - January 5, 2022

With profound sadness we announce the passing of Victoria Ann Fordham-Skerry (Vicki), on January 5, 2022. After a courageous 5 year battle with ovarian cancer, she died peacefully at home while holding her husband and daughter.

Vicki, born August 2, 1953 in North Carolina, radiated joy and laughter. She was blessed with an unmatched vibrancy for life and could brighten any room. Her strength and grace were boundless, having endured many struggles in life, always rebounding with a smile.

Vicki worked for the Catholic Church for 30 years. While there she appreciated the sense of community, long lasting friendships, and the fulfillment from helping others.

However, Victoria's true calling was to her family. There has never been a more passionate or loyal person. She was a fiercely loving wife, mother, and grandmother. All who knew her, knew of her love for her family as it emanated from her every conversation. She is beloved by many as a sister, cousin, aunt, and friend. Her loss will be felt infinitely.

Victoria is predeceased by her parents, Nancy Dale Brown and William Howard Brown. She is survived by her devoted husband, Patrick Skerry,

daughter Kayley Fordham (Sopagna Kheang), and the light of her life, her grandson, Julian Kheang.

The Family of Vicki Fordham-Skerry invites you to leave a message of condolence on the Tribute Wall created in her loving memory.

“ As young mothers, Vicki and I watched our children play at preschool through the viewing window. She loved her dear Kayley so very much! I am honored to have known her.
