“ We will always have fond memories of Sulochanaben. She was highly spirited, wanting to live her life to the fullest. Full of stories and conversations. We have lots of stories, but the most recent one that stands out is from Goa at Nera-Lee’s wedding where many of us lived in the Air B&B villa. Sulochanaben would always remind us to open the bar before lunch and dinner. She had touched so many of our hearts and we will miss her. We know she is happily joined with Subhodbhai, the love of her life. 💕
