“ Vinny just came across this obituary the last couple of hours at Greg's house was a lot of fun. Your statement that you wished we had been Brothers really struck home. I felt the same way. A few hours later you were gone. I had one great brother it would have been terrific to have had two. Rest in peace and if you see Jack tell him I'll be along soon.

“ It was very sad to hear of Uncle Vinny's passing over the weekend...I have always had fond memories of him being one of my easiest going uncles, willing to roughhouse with my brothers and cousins when we got together, and any other activities we would get ourselves into at the time. I have often thought of the summer nights out on Long Island at my parent's house when he would bring out his guitar and sing for everyone, always a great way to end a good summer party.

My condolences to Gregg and Debbie and their families on their loss. May Uncle Vinny now rest in peace.

“ *I am so sad to hear this... I thought about Uncle Vinny a lot over the years... I remember the parties at Aunt Terry & Uncle George's house which as far as I remember always included him playing the guitar and singing... I always looked forward to those parties and I will always remember those days fondly...I am so sad that we were not in each other's lives over the last several years.
Uncle Vinny... You will be sorely missed.
I pray that you have found peace...Until we meet again

“ *Dear Vinnie*

I will always remember the good times we had when you used to take me and Debbie to the casino. We would drive down listening to Tom Jones and even though we never won, we always had a good time. You were always very kind to me and always made me feel welcome at your home and better yet at your dinner table. Your marinara and meatballs were the best too! I love you and hope you are at peace. Go rest with the angels. xxoxo

“ I was sad to hear the news that Uncle Vinny had passed away. I used to love to listen to him play guitar and sing when we were young and wish I still had the cassette tape he gave us of him playing all of my favorite songs. I listened to it a million times back then.

He was a kind and fun uncle. I haven't seen him in a long time, but am so sorry to hear that he's gone. May he Rest In Peace.
