“ *Jeanne Irwin - Neighbor/friend posted a condolence Many times each day I would look across the street to see if Vi was outside (getting her mail, pulling weeds, etc.) As time went on I'd see her getting into a car for an outing (lunch, Dr's appt., or whatever). Recently I would see her caregivers come and go frequently. And always her beloved family. How many times I have wished, and said "What a neat family Vi has, wish mine was the same." vi was outside*

“ *Robin Crews Green - Niece posted a condolence My Aunt Vi was the most vibrant loving person I have ever met. She taught me how to make her homemade Butterscotch pie. Have so many memories. I will miss her so much. Never thought she would not be there when I visit. Always had an infectious smile and giggle. I love her with all my heart and will miss her so much.*

“ Kael Crews - great granddaughter posted a condolence As I sit here looking at this computer screen, my heart is flooded with emotions, sadness because she is gone, happiness because I was so incredibly blessed to have her as such a big part of my life, and some regret because I wasn't there to hold her sweet hand or kiss her one last time. My grandma Crews was one of the most amazing people I ever had the pleasure of knowing. She started our family over 70 years ago and has always been "the boss", or at least that's what we let her think. She always had a smile on her face and her little arms stretched out waiting for a hug, I think I'll miss that most. She taught us to be loving, to be humble, and most importantly to appreciate the simple things in life. I love her dearly and will miss her every day that passes. See you soon, beautiful lady.
