“ *To by brother  
Life has a way of slipping by us before we do all we want to do or  
say what we want to say.  
I can not be present with family today, but this is what I wanted to  
say.  
Your ethics, loyalty and hard work rubbed off on me, and you will  
always be my guiding light.  
I miss you and love you.*

“ *I worked with Virgil for almost 40 years in the office here at NTM.  
Virgil was a faithful worker and a good friend to me. After retirement  
at the age of 75 he continued to volunteer for an additional 8 years,  
until his death. He was very diligent in his responsibilities, and we  
are missing him in the office.*
